

9th February 2017 | Auditorium 8.2.30

Chem & BioChem

Postgraduate Students Meeting

**Ciências
ULisboa**

Faculdade
de Ciências
da Universidade
de Lisboa

2017

If you are a **PhD student, MSc student** or **MSc research fellow** working in a chemistry or biochemistry research project at FCUL, submit your abstract and register for free at

chembiochem.campus.ciencias.ulisboa.pt

BSc students in chemistry and biochemistry are also invited to register and participate. Join us and get a sneak peek at the ongoing research projects in our department!

PLENARY LECTURES

- Alexandre Quintas (Instituto Superior de Ciências da Saúde Egas Moniz)
- Radoslaw Starosta (Wroclaw University)
