

Call for Abstracts

The 4th Annual Conference of redeSAÚDE will take place on May 4, 2017, during the 3rd ULisboa Innovation Week. redeSAÚDE's 4th Annual Conference is a forum for the presentation of scientific and technological advances and also research results in the field of health, bringing together ULisboa and international leading scientists and stakeholders in the health field.

redeSAÚDE invites ULisboa academics and researchers, preferably ULisboa young scientists, to submit abstracts to be presented at the conference. Topics of interest for submission include:

1. Developmental and ageing related disorders
2. Active ageing, Frailty and Functional Loss
3. Societal challenges to health
4. Urbanism and health
5. Neurons, brain and cognition
6. Rare diseases
7. Oncobiology
8. Drug delivery
9. Precision medicine
10. Regenerative medicine
11. Climate changes and health
12. Immunology and infection
13. Big data and health
14. Clinical decision support systems
15. Health outcome evaluation
16. Healthcare innovation
